INTRODUCTION:

The UGC-Human Resource Development Centre, Jawaharlal Nehru Technological University Hyderabad organizes Orientation Courses, Refresher Courses, and Short Term Courses on thrust areas for in-service teachers and also for newly appointed teaching faculty on a regular basis.

During the current academic year 2018-2019, a One-Week Faculty Development Programme on “**Modern Teaching & Learning Methods**” is proposed to be organised in association with Ashoka Institute of Engineering & Technology, NH-9, Near Ramoji Film City, Toopranpet, T.S., during **22-04-2019 to 27-04-2019**, in the campus of Ashoka Institute of Engineering & Technology, on Self-Supporting basis. The number of participants is limited to a maximum of 60, and the selection will be based on the priority of ‘first -come-first-serve’.

ABOUT ASHOKA INSTITUTE OF ENGINEERING & TECHNOLOGY (AIET):

Ashoka Institute of Engineering & Technology (AIET) is an integral part of the Ashoka Group of Colleges. It offers post-graduate, undergraduate and diploma courses in all the main branches of engineering. Besides regular and traditional engineering courses, AIET is among the few Institutions of excellence offering post graduate courses in highly specialized disciplines such as Structural Engineering and VLSI Design. AIET epitomizes the vision of the Group, which is to combine excellence in education and research to impart quality education to its students in engineering disciplines.

The principal objective of the Ashoka Institute of Engineering and Technology is to update and modernize the quality of professional education, strengthening the bond between the academic and the corporate works. College has entered MoU with foreign universities to facilitate aspiring students for higher education.

Eligibility:

- **Faculties working in Universities and Colleges**, that are included under section 2(f) of the UGC Act, are eligible to participate in this course.
- Faculty members of all branches of Engineering and Sciences.
- Participants have to be sponsored by the concerned Principal of the College / Head of the Institution for considering the participation in the Course.
- It is mandatory that sponsored Participants, if selected, should participate in the Course.

MAIN SUBJECT CONTENTS:

- **Effective Teaching Requirements**
- **Communication Skills and tips for Effective Presentation**
- **Traditional Vs. Modern Teaching Methods**
- **Role of a teacher in shaping the personality of a student**
- **MOOCs**
- **Blended Learning / Flipped Classrooms**
- **Systematic approach to teaching**
- **Time & Stress Management**
- **Industry Expectations from Graduates**
- **Search Engines for Academic Excellence, Digital Libraries**
- **Student centered teaching and learning to enhance quality of education**

RESOURCE SPEAKERS:

Resource persons will be drawn from Universities, Industries and Institutions.
